

## Friends of the Cleveland State University Library

### Donor Information

The Friends of the Cleveland State University Library appreciates very much your offer to donate material. The Friends will provide the University Library with an opportunity to select individual items to add to the collection. Those materials that they do not select will be placed in the Friends of the Library book sale, given to other libraries, or discarded.

If you would like an acknowledgment of your gift, please fill in below. Neither the Friends of the University Library nor the University Library provide appraisals or evaluations of gifts. If you have questions about donations, please contact Terri Greer at (216) 687-2485.
